

I am responding to information regarding the radio station K-Love being replaced by an LPFM. K-Love has been an awesome radio station to listen to. I am greatly impressed with the quality of music and the lack of commercials from K-Love. I get irritated when listening to other stations due to the number of commercials and unnecessary comments made on secular stations. K-Love has been exactly as it says it is, "Positive" and "Encouraging". I know I can count on this station for encouraging words and support from the announcers. I appreciate the fact that they are not afraid to pray on the radio. I am excited about the increased number of K-Love stickers that I see on vehicles in my area. It just shows how God continues to work in people! Please do not move this station!!
